

# Doyle Lawson, Lord I'm Ready To Go

Traveling on this rugged road thinkin' of things of long ago,  
How our Saviour suffered and died on Calvary.  
They nailed His hands and pierced His side,  
On the cross He bled and died,  
Just to save us all from sin and set us free.

Chorus:

Lord I'm gettin' ready (Lord I'm gettin' ready),  
Now to go (now to go).  
To heaven above (to heaven above),  
From here below (from here below).  
When I reach that Promised Land  
I'm a gonna shake my Saviour's hand.  
Oh Lord I'm gettin' ready (Lord I'm gettin' ready),  
Now to go (now to go).

Our Lord is coming back some day and we've got to watch and pray,  
And be ready to meet our Saviour face to face.  
If we know we've been redeemed,  
Then we know our soul is clean,  
And we have a home within His saving grace.

Chorus x2

Now to go.
