

# Dr Alban, Its My Life

Away away from home  
This little girl is a country girl  
Left her home and go to New York  
Come to Ny with one dollar  
Ask how many million people in a Ny  
This little girl went to a session  
In a session say she meet a little boy  
This little girl is a country girl  
(Away away from home)  
Left her home and go a Ny

This little girl is a country girl  
(From home away from home)  
(From home away from home)  
She went out with this little boy  
This little boy couldn't show her anywhere  
Life in big cities are difficult  
She had to work all day to make a living  
Colour people please stay where you are
