

Dr. Bombay, Sos

I live in tiger land
I'm an indian man
I used to walk around
with a snake in my hand
Dr. Bombay is my name
and my father had the same
but everything has changed
here in tiger land

Chorus:
S.O.S the tiger took my father
S.O.S the tiger took my brother
S.O.S the tiger took my mother
S.O.S the tiger took my family

We live in town Calcutta
in a little wooden house
I lived there with my family
and twenty-one cows
but now they're all gone
and life not so fun
but what can you expect
here in tiger land

Chorus

One day in the big jungle
a tiger took my snake
it wasn't really funny
what a big mistake
I took my brothers slingshoot
and shoot the tiger down
this is how we do it
here in tiger land
