

# Dr. Dog, The Old Days

Let go of the old ones  
We've got some new ones  
Hold on to the good stuff  
And let go and get real tough

Down, down, down  
Moon gonna fall down  
Thump, thump, thump  
House gonna fall down  
Chop, chop, chop  
Tree gonna fall down  
Down, down, down  
Down to the bottom

Trigger, when you pull it  
Go home with a bullet  
No birds in the birdcage  
Flew off in his old age

Down, down, down  
Moon gonna fall down  
Thump, thump, thump  
House gonna fall down  
Chop, chop, chop  
Tree gonna fall down  
Back, back, back  
Back to the old days

So full in the morning  
Put on your dog skin  
Wrap up the money  
Save it for a sunny

Day, day, day  
Moon gonna fall down  
Thump, thump, thump  
House gonna fall down  
Chop, chop, chop  
Tree gonna fall down  
Back, back, back  
Back to the old days
