

Dr. Dre, Darius Colourblind

Feelin' blue
When I'm trying to forget the feelin that I miss you
Feelin' Green
When the jealousy swells and it won't go away,
In dreams
Feelin' yellow
And confused inside
A little hazy but mellow
When I feel your eyes on me
Feelin fine
Sublime
When that smile of yours creeps into my mind
Oh oh
Nobody told me it feels so good
Nobody said you'd be so beautiful
Nobody warned me about your smile
You're the light, you're the light, when I close my eyes
I'm colourblind
You make me colourblind
Feelin red
When you spend nights out with your friends and not me instead
Feelin black
When I think about all of the things that I feel, I lack
Feelin jaded
When it's not gone right
All the colours have faded
Then I feel your eyes on me
Feelin fine
Sublime
When that smile of your creeps into my mind
Ohh
Nobody told me it feels so good
Nobody said you'd be so beautiful
Nobody warned me about your smile
You're the light, you're the light, when I close my eyes
I'm colourblind
You make me colourblind
Blinded by the light you shine
The colours fade completely
Blinded by you everytime
I feel your smile defeat me
I'm colourblind, I just cant deny, this feelin'
Nobody told me it feels so good
Nobody said you'd be so beautiful
Nobody warned me about your smile
You're the light, you're the light, when I close my eyes
I'm colourblind
Nobody told me it feels so good
Nobody said you'd be so beautiful
Nobody warned me about your smile
You're the light, you're the light, when I close my eyes
I'm colourblind
You're the light, when I close my eyes
You make me colourblind
You're the light, you're the light, when I close my eyes
You make me colourblind
