## Dr. Dre, Darius Colourblind

Feelin' blue

When I'm trying to forget the feelin that I miss you

Feelin' Green

When the jelousy swells and it won't go away,

In dreams

Feelin' yellow

And confused inside

A little hazy but mellow

When I feel your eyes on me

Feelin fine

Sublime

When that smile of yours creeps into my mind

Oh oh

Nobody told me it feels so good

Nobody said you'd be so beautiful

Nobody warned me about your smile

You're the light, you're the light, when I close my eyes

I'm colourblind

You make me colourblind

Feelin red

When you spend nights out with your friends and not me instead

Feelin black

When I think about all of the things that I feel, I lack

Feelin jaded

When it's not gone right

All the colours have faded

Then I feel your eyes on me

Feelin fine

Sublime

When that smile of your creeps into my mind

Ohh

Nobody told me it feels so good

Nobody said you'd be so beautiful

Nobody warned me about your smile

You're the light, you're the light, when I close my eyes

I'm colourblind

You make me colourblind

Blinded by the light you shine

The colours fade completely

Blinded by you everytime

I feel your smile defeat me

I'm colourblind, I just cant deny, this feelin'

Nobody told me it feels so good

Nobody said you'd be so beautiful

Nobody warned me about your smile

You're the light, you're the light, when I close my eyes

I'm colourblind

Nobody told me it feels so good

Nobody said you'd be so beautiful

Nobody warned me about your smile

You're the light, you're the light, when I close my eyes

I'm colourblind

You're the light, when I close my eyes

You make me colourblind

You're the light, you're the light, when I close my eyes

You make me colourblind
