Verse One: Dr. Dre

Yeah, Mista Busta, where the f\*\*k ya at?  
Can't scrap a lick, so I know ya got your gat  
Your dick on hard, from f\*\*kin your road dogs  
The hood you threw up with, niggaz you grew up with  
Don't even respect your ass  
That's why it's time for the doctor, to check your ass, nigga  
Used to be my homey, used to be my ace  
Now I wanna slap the taste out yo mouth  
Nigga bow down to the row  
F\*\*kin me, now I'm f\*\*kin you, little hoe  
Oh, don't think I forgot, let you slide  
Let me ride, just another homicide  
Yeah it's me so I'ma talk on  
Stompin on the 'Eazy'est streets that you can walk on  
So strap on your Compton hat, your locs  
And watch your back cause you might get smoked, loc  
And pass the bud, and stay low-key  
B.G. cause you lost all your homey's love  
Now call it what you want to  
You f\*\*ked with me, now it's a must that I f\*\*k wit you

Interlude: Dr. Dre

Yeah, that's what the f\*\*k I'm talkin about  
We have your motherf\*\*kin record company surrounded  
Put down the candy and let the little boy go  
You knowhatl'msayin, punk motherf\*\*ker  
\*\*We want Eazy, we want Eazy\*\*

Verse Two: Snoop Doggy Dogg

Bow wow wow yippy yo yippy yay  
Doggy Dogg's in the motherf\*\*kin house  
Bow wow wow yippy yo yippy yay  
Death Row's in the motherf\*\*kin house  
Bow wow wow yippy yo yippy yay  
The sounds of a dog brings me to another day  
Play, with my bone will ya Timmy  
It seems like you're good for makin jokes about your jimmy  
But here's a jimmy joke about your mama that you might not like  
I heard she was the 'Frisco dyke  
But f\*\*k your mama, I'm talkin about you and me  
Toe to toe, Tim M-U-T  
Your bark was loud, but your bite wasn't vicious  
And them rhymes you were kickin were quite bootylicious  
You get with Doggy Dogg oh is he crazy?  
With ya mama and your daddy hollin' Bay-Bee  
So won't they let you know  
That if you f\*\*k with Dre nigga you're f\*\*kin wit Death Row  
And I ain't even slangin them thangs  
I'm hollin' one-eight-seven with my dick in yo mouth, beeyatch

Interlude: RBX

So you wanna pop that shit get yo motherf\*\*kin cranium cracked nigga  
Step on up. Now, we ain't no motherf\*\*kin joke so remember the name  
Mighty, mighty D-R. Yeahhh, MOTHERF\*\*KER!

### Verse Three: Dr.Dre and Snoop Doggy Dogg

Now understand this my nigga Dre can't be touched  
Luke's bendin over, so Luke's gettin f\*\*ked, busta  
Musta, thought I was sleazy  
Or though I was a mark cause I used to hang with Eazy  
Animosity, made ya speak but ya spoke  
Ay yo Dre, whattup, check this nigga off loc  
If it ain't another ho that I gots ta f\*\*k with  
Gap teeth in ya mouth so my dick's gots to fit  
With my nuts on ya tonsils  
While ya on stage rappin at your wack-ass concerts  
And I'ma snatch your ass from the backside  
To show you how Death Row pull off that who-ride  
Now you might not understand me  
Cause I'ma rob you in Compton and blast you in Miami  
Then we gon creep to South Central  
On a Street Knowledge mission, as I steps in the temple  
Spot him, got him, as I pulls out my strap  
Got my chrome to the side of his White Sox hat  
You tryin to check my homey, you better check yo self  
Cause when you diss Dre you diss yourself, MOTHERF\*\*KER  
Yeah nigga...
