

Dr. Dre, Natural Born Killaz

Artist: Dr. Dre & Ice Cube

(Dr. Dre)

Journey with me

Into the mind of a maniac

Doomed to be a killer

Since I came out the nutsac

I'm in a murderous mindsate

With a heart full of terror

I see the devil in the mirror

BUCK BUCK, Lights out

Cause when I get my sawed off

Niggaz get hauled off (Ice Cube: haha barrel one)

Touches your motherfuckin flesh (Ice Cube: barrel two)

Shoots your fuckin heart out your chest

You see I'm quick to let the hammer go click

On my Tec-9 so if you try to reck mine

Fool it's your bad time

Feel the blast of the chocolate bomber

Infra red aimed at your head

Like your name was Sarah Conner

Decapitatin I ain't hesitatin

To put you in the funderal home

With a bullet in your dome

I'm hot like lava

You got a problem?

I got a problem solver

And his name is revolver

It's like a deadly game of freeze tag

I touch you with a 44 mag

And your frozen inside a boddy bag

Nobody iller

Than this graveyard filler

Cap peeler

Cause I'm a Natural Born Killa

(Ice Cube)

Terror illistrates my era

Now I cant hang around my momma

Cause I scare her

I'm quick to blast motherfucker

(Dr. Dre: yeah what's up)

It feels like I'm bustin a nut

When I open you up

Cause your body is exposed to the midnight mist

All you weak motherfuckers give my ring a kiss

Cause I'm givin dirt naps

Comin with them bomb ass raps

To make your lungs collapse

Perhaps, you never sleep

Cause evertime you doze

You catch blows to the motherfuckin nose

Ain't seen the sun, in 66 days

Let me count the ways in a fucked up maze

I never ever ever made a hoe stay

But I'm down with Dre

Like AC is down with OJ

So fuck how your livin

I'm the unforgivin

Psycho drivin

Murdera

It's authentic

Don't panic

I can't stand it

God Damn it

Scizophrenic
So fuck Charlie Manson
I'll snatch him out of his truck
Hit 'em with a brick
And I'm dancin

(RBX)
Mass Murderer, Natural Born Killla,
And I don't wanna die
I DON'T WANNA DIE
I DON'T WANNA
I DON'T WANNAAAAAAAAAAAAAAAAAAAAAAAA DIE!

(Ice Cube)
I dont understand the logic in my dreams
But I understand I like the sound of Sireens
Terrified screams from the streams
Of Strycnine
Dumpin on any motherfucker tryin to trick mine
Cause motherfuckers wanna violate
Now they stiff and cold
And they pupils won't dialate
IT'S SO MUCH PAIN
MIGRAINE
Headache
I can hear his bones break
He steps in the single door
Gets his ass whipped with 20 lashes
Like that dude up in Singapore
So I'm a pull a fuckin Jeffrey Dahmer
Now I'm suicidal, just like Nirvana

(Dr. Dre)
Tic Toc
Toc Tic Toc Tic
Dr. Dre and Ice Cube on some murderous shit
Keepin niggaz in order
Makin there live shorter
Ready to slaughter
Cause to me a life ain't worth a quarter
Or a dime
Mushroom's got my mind
Hallicinatin
Ain't no debatin
I'm creatin an escape
Route to be out without a doubt
Scot Free, so don't even think about tryin to stop me
Cause I can't wait
I'm out the gate
On the for realla
A thrilla
Or a Natural Born Killla

(Ice Cube)
Gi-Gi Gi-Gi Ga-Ga
They call me Da-Da
6 million ways to murder
choose one
Lose one soul
Bodies turn cold
Natural fright from niggaz goin bump in the night

Should I peely
Should I kill her in my iller
Then a Natural Born Killla

repeats 3x
