

Dr. Feelgood, Crazy 'Bout Girls

People come to me and they say that I'm mad
They've heard a 100 stories never one of them bad
I can only tell them 'I'm as sane as can be'
There's only one thing brings out the madness in me

I'm crazy about women
I'm crazy about girls
I'm crazy about women
I'm crazy about girls

People can remind me of the things that I've done
I can only answer 'I was just havin' fun'
Seems my reputation is gettin' way out of hand
I can hardly help it 'cause I'm only a man

I'm crazy about women
I'm crazy about girls
I'm crazy about women
I'm crazy about girls
I'm crazy about women
I'm crazy about women
I'm crazy about girls
I'm crazy about girls
I'm crazy about women
I'm crazy about women
I'm crazy about girls
I'm crazy about girls

If you come and see me and I'm acting bizarre
Notice who I'm sittin' with right here at the bar
Next time that you think I'm goin' rock round the twist
Take a look around me and see what you'd missed

I'm crazy about women
I'm crazy about girls
I'm crazy about women
I'm crazy about girls
I'm crazy about women
I'm crazy about women
I'm crazy about girls
I'm crazy about girls
I'm crazy about women
I'm crazy about women
I'm crazy about girls
I'm crazy about girls...
