Dr. Feelgood, Great Balls Of Fire

You shake my nerves and you rattle my brain Too much love drives a man insane You broke my will, but what a thrill Goodness gracious - Great balls of fire

I heard you laugh and I thought it was funny You come along and moved me, honey I changed my mind, this world is fine Goodness gracious - Great balls of fire

Kiss me baby Mmm, feels good Hold me baby I want to love you like a lover should You're fine, so kind Gotta tell this world that you're mine mine mine

I twitch my fingers and I wiggle my thumb I'm real nervous but it sure is fun Come on baby, drive me crazy Goodness gracious - Great balls of fire
