

Dr. Feelgood, Matchbox

Well, I'm sittin' here wonderin'
With matchbox on my clothes
I'm sittin' here watchin'
With a matchbox on my toes
I ain't got no matches but
I got a long way to go

Let me be your main man
Till your side track comes
Let me be your main man
Till your side track comes
When your sound track get here
Tell 'em what your main man's done

Well, I want to be your side track
Till your main line comes
Well, I'll be your side track
Till your main line comes
When your main line get here
Tell 'em what your side track has done

Well, I'm sittin' here wonderin'
With a matchbox on my toes
Sittin' here wonderin'
With a matchbox on my toes
I got no matches but
I sure got a long way to go
