

Dr. Feelgood, Send For The Doctor

(Doc Pomus)

They call me Doc, I can make you feel so good
Well, they call me Doc, I can make you feel so good
I can do more for you than any man in this neighbourhood

If you ever feel stiff around your back
Send for me and you'll hear a crack

Send for the Doc, make you feel so good
I'll do more for you than any man in this neighbourhood

- Harmonica Solo -

Freezing cold and you feel half alive
Run your fever to one hundred and five

Send for the Doc, make you feel so good
I'll do more for you than any man in this neighbourhood

You'll get those shivers around your spine
Run your fever up to one-o-nine

Send for the Doc, make you feel so good
I'll do more for you than any man in this neighbourhood

- Guitar Solo -

Cure every ache and ease, every pain
My kinda cure gonna drive you insane

Send for the doc any time you feel the flu
Doctor Feelgood's just the man for you
