

# Dr. Feelgood, She's In The Middle

I've got this girl, she's got this man  
I do my best, I try to do what I can

She's in the middle  
She's in the middle  
She's in the middle and  
She doesn't know which way to turn

I say to her that she's a mixed-up kid  
She says to me, she says she know what she did

She's in the middle  
She's in the middle  
She's in the middle and  
She doesn't know which way to turn

Caught between two lovers, that's how the story goes  
This could be the end and I hope you can see  
What you're doing to me

I can see you love him, I don't mind  
But why do you have to have two of a kind?

She's in the middle  
She's in the middle  
She's in the middle and  
She doesn't know which way to turn

Caught between two lovers, that's how the story goes  
This could be the end and I hope you can see  
What you're doing to me

I've got this girl, she's got this man  
I do my best, I try to do what I can

She's in the middle  
She's in the middle  
She's in the middle and  
She doesn't know which way to turn
