Dr. Feelgood, You Gotta Help Me

(Sonny Boy Williamson)

You gotta help me, I can't do it all by myself
You gotta help me, I can't do it all by myself
You know, you don't help me darlin', I'll have to find me somebody else

I may have to wash, I may have to sew
I may have to cook, I might mop the floor
But you help me, ooh help me darlin'
You know, you don't help me darlin', I'll have to find myself somebody else
Help me baby, help me

- Guitar break -

Now when I walk, you walk with me
And when I talk, oh you talk to me
Help me darling, ooh help me baby
You know, you don't help me darlin', I'll have to find myself somebody else

- Guitar break -

Bring my night shirt, put on your morning gown
Bring my night shirt, put on your morning gown
You know there's no way I feel sleepy, but I feel like lying down

- Guitar solo -

Mhhmhh, mhhmhh, mhhmhh...
