

Dr. Hook, O Mary

I do it 4 u
Dis rap not 4 him
He just some sin
From de recycln bin

Thinks hes on fire
Cutting his wire
He's such a liar
Bow's to his sire

Hes a strangling weed
Tryin hard to succeed
But he'll never defeat U
As long as u stand true

I'll stand beside u
Don't need to hide u
U got de faith
Now let's embrace

Word to Mary
Her life was Scary
Mother of u
The holiest Jew

Jesus U rule
He's just a tool
What a loser
Just a bruiser

I want Mary
I want Mary
Life was scary
Before Mary
