Dr. Hook & The Medicine Show, Who Dat?

(R. Sawyer/R. Haffkine) Who dat I see laughing all alone Who dat I see faraway from home I guess that's me, it must be me Who dat I see racing for the sun Who dat said ain't never gonna own no-one I guess that's me, it must be me You know I paid my dues Every time I got a little good news Feeling I'm hot gonna take my shot Now how does that sit with you Who dat I see running by my side Who dat coming along just for the ride It must be you, it must be you Who dat I see getting too much love Who dat never know when he's got enough I guess that's me and it must be you You know I paid my dues Every time I got a little good news Feeling I'm hot gonna take my shot Now how does that sit with you Who dat, I say who dat Who dat, I say who dat Who dat, I say who dat Who dat, I say who dat......
