

Dr. Hook, When You're In Love With A Beautiful V

When you're in love with a beautiful woman it's hard
When you're in love with a beautiful woman you know its hard
'Cause everybody wants her, everybody loves her
Everybody wants to take your baby home

When you're in love with a beautiful woman you watch your friends
When you're in love with a beautiful woman it never ends
You know that is crazy and you wanna trust her
Then somebody hangs up when you answer the phone

When you're in love with a beautiful woman you go it alone
Maybe it's just an ego problem, problem is that I've been fooled before
By fair-weather friends and faint hearted lovers
And every time it happens it just convinces me more

When you're in love with a beautiful woman you watch her eyes
When you're in love with a beautiful woman you look for lies
'Cause everybody tempts her everybody tells her
She's the most beautiful woman they know

When you're in love with a beautiful woman you go it alone
