Dr. Hook, When You're In Love With A Beautiful \

When you're in love with a beautiful woman it's hard When you're in love with a beautiful woman you know its hard 'Cause everybody wants her, everybody loves her Everybody wants to take your baby home

When you're in love with a beautiful woman you watch your friends When you're in love with a beautiful woman it never ends You know that is crazy and you wanna trust her Then somebody hangs up when you answer the phone

When you're in love with a beautiful woman you go it alone Maybe it's just an ego problem, problem is that I've been fooled before By fair-weather friends and faint hearted lovers And every time it happens it just convinces me more

When you're in love with a beautiful woman you watch her eyes When you're in love with a beautiful woman you look for lies 'Cause everybody tempts her everybody tells her She's the most beautiful woman they know

When you're in love with a beautiful woman you go it alone
