

# Dr. Sin, Innocent Crime

She's so amazing  
Driving men and women crazy  
Flips a coin, it doesn't matter what side is up  
I guess love is blind  
It doesn't matter what kind

She said her girlfriend's name was Daisy  
It just left me blind and hazy  
Then I realized my fantasy would come true

Am I losing my mind  
Just an innocent crime

Sweet temptation  
Hot sensation  
Wild creation

I was burning with desire  
Cause these girls set me on fire  
They really got me  
under control
