

# Dr. Steel, Back And Forth

Well as you can see  
I go back and forth, that's right  
Side to side  
Back and forth  
Back and forth  
Back and side to side  
Let's start advertising  
And make some real money

Listen to me  
Listen to me, my children  
Listen to me  
Listen to me  
Listen, children

Gather around to hear the sound of my voice  
Dear girls and boys well you're making a choice  
You can think for yourselves  
Or you can buy all my toys  
Disregard mental health  
Jump around, make some noise

I'd never lie to you  
You know I'd die for you  
Yeah, I love you too  
So just do what you do,  
Consume and gobble it up  
Come on, show me some love  
Or I'll be blowin you up.

I'm lying through my teeth  
To get everything I need  
I'll be what you want me to be  
That's why I'm dancin', dancin'

Back and forth  
Back and forth  
Back and forth  
Side to side

Back and forth  
Back and forth  
Back and forth  
Side to side

See me!  
Stare into my eyes, you're getting sleepy  
Feed me!  
And then I'll feed the hungry and the needy  
TV  
Is the loving eye of education  
Free me  
I'll drag a burning smile across this nation.

Back and forth  
Back and forth  
Back and forth  
Side to side

(repeat x2)

I control you

Back and forth

Back and forth  
Back and forth  
Side to side

(repeat x7)

Listen to me  
Listen to me, my children  
Listen to me  
Listen to me  
Listen, children

Stop!
