

Drag-On, I'm A Ryder

(feat. Baby, TQ)

[Drag-On]

They stepped up Bronx City
You know they gonna get dirty
You rap niggas fuck around and get very early
Fuckin with that firemen and that birdy birdy
Nigga knock it off
What you know about the ?? when top cut off
Everybody wanna talk about they got guns
But them niggas don't pop it off
We been shootin, fightin, robbin
Niggas have been stabbin
We them paralyzed niggas
And left them handicappin
Yo want some Cash Money
It's gon be a Ruff Ryde
We see that star muffin
?? tears on baby's eyes
So when you see us comin
Nigga get the runnin
We treat the hood like the woods
We do some nigga huntin
Cause ya niggas ain't black or something
I let em fly, I dare to God
Took ya niggas ??
Hop on the jet on to Red Island
Don't forget this is the Dirty Dirty
Drag-On and not Birdy Birdy
They niggas ?? pussy ??
I burn a whole in your throwback jersey
You don't fuck when I shot it
Everybody tryna divide us
Keep them fake niggas from around us
Muthafuckin nigga!

[TQ]

I'm a ryder
I live life high
I'm guaranteed to turn heads
When I ride by

I'm so fly
My dogs ride by
Them hatas wanna cry

I'm bout mine
I hustle to the sun come up
And don't mind
