

# Dragonette, Jesus Doesn't Love Me

Spent my wages on rock and roll  
Jesus doesn't love me anymore  
Don't know much of what I've been told  
Jesus doesn't love anymore

Drugs, sex, rock and roll  
Drugs, sex, rock and roll  
Drugs, sex, rock and roll  
Drugs, sex, rock and roll

Wash me, god, I wanna get this off me  
If you wanna love me, scrub me  
Say a little prayer for me, pray for me

Got a little bit of dirty down in my soul  
Jesus doesn't love me anymore  
Sinning for a living's really taking its toll  
Jesus doesn't love me anymore

Drugs, sex, rock and roll  
Drugs, sex, rock and roll  
Drugs, sex, rock and roll  
Drugs, sex, rock and roll

Wash me, god, I wanna get this off me  
If you wanna love me, scrub me  
Say a little prayer for me, pray for me  
Wash me, god, I wanna get this off me  
If you wanna love me, scrub me  
Say a little prayer for me, pray for me

Wash me, get this off me  
Wash me, get this off me  
Wash me, get this off me  
Jesus doesn't love me anymore

Gotta get inside, oh God, why would I lie?  
I promise, cross my heart and hope to die  
I need another try to get it off me

God, I wanna get this off me  
If you wanna love me, scrub me  
Say a little prayer for me, pray for me  
Wash me, god, I wanna get this off me  
If you wanna love me, scrub me  
Say a little prayer for me, pray for me

Little bit of dirty down in my soul
