

# Dragonhammer, Fire

Open your mind, because you're a warrior  
Now is the time, demons of all fears

Lost fantasy of eternal life  
Of an eagle in the sky

Like a free wolf, win or lose your head  
The sword in your hand, the battle is coming

Lost fantasy of eternal life  
Of an eagle in the sky

Fire in your eyes  
Running in the fire  
In this night  
Kill for your life

Smoke over the line, running on dead bodies  
Ice in your breath, the battle is coming

Lost fantasy of eternal life  
Of an eagle in the sky

Fire in your eyes  
Running in the fire  
In this night  
Kill for your life
