

# Dragonheart, Eyes Of Hell

The rolling of fire  
The rising of evil  
No choice you have  
I'm the Watcher  
I'm rolling the dices  
I'm twisting your fate  
Confronting the mystic charade  
You'll find the souls...

You don't know the fear  
I am the fear  
You don't know the chaos  
I am the chaos

Eyes of hell  
I am the Dealer (with)  
Eyes of hell  
Beware the Watcher

I will bring a choice to rise all your fear  
The rest of your army  
Have valor and honor  
A world full of anger you'll get nobody will listen to yours prays  
Condemned and doomed you'll fall...

You don't know the fear  
I am the fear  
You don't know the chaos  
I am the chaos

Eyes of hell  
I am the Dealer (with)  
Eyes of hell  
Beware the Watcher
