

# Dragonheart, Secret Cathedral

The chosen one follows me  
I just let they follow me  
They will discover the secret  
The secret, my secret  
Their ruin lives in my underworld

Under the ground  
And far away from the sun  
The profane cathedral awaits  
The holy ceremony

Nothing can stop me  
Nothing will stop me  
Nothing can stop me  
Nothing will stop me

All the ways to all worlds is in my hands  
I control the ways to all dimensions  
It's mine - Secret Cathedral  
It's mine - Secret Cathedral

Nothing matters now  
My goals will be reached  
I control the portal, I control the creatures

Lay down the castle  
Monsters and demons  
Are crawling the steps to the gate  
The time has come  
Now is the time to have pain

Nothing can stop me  
Nothing will stop me  
Nothing can stop me  
Nothing will stop me

All the ways to all worlds is in my hands  
I control the ways to all dimensions  
It's mine - Secret Cathedral  
It's mine - Secret Cathedral

My world so far is pain and insane  
I condemned this world to the pain
