Dragonland, Intuition

One fire A silent storm in every spirit Locked behind a lonely dream still aware When soldiers of fortune take your mind The heart is your kingdom Like magic when you find

Intuition One decision Hold your heartbeat in your hand Intuition, one decision Let your dream command

One answer The destiny of every moment Lost inside a hungry voice in the dark No evil illusions No empty prayer The heart is your kingdom So follow if you dare

Intuition One decision Hold your heartbeat in your hand Intuition, one decision Hold your heartbeat in your hand

When soldiers of fortune take your mind The heart is your kingdom Like magic when you find

Intuition One decision Hold your heartbeat in your hand Intuition, one decision Let your dream command
