

Drake Bell, Found A Way (Acoustic)

I never thought that it'd be so simple but
I found a way, I found a way
I always thought that it'd be too crazy but
I found a way, I found a way

If you open up your mind
See what's inside
It's gonna take some time, to realign
But if you look inside, I'm sure you'll find
Over your shoulder you know that, I told you
I'll always be pickin' you up when you're down
So just turn around

Now that I know that anything's possible
I found a way, I found a way
No one can break what is so unbreakable
I found a way, I found a way

If you open up your mind
See what's inside
It's gonna take some time, to realign
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around

No one cares
What you give
You know you gotta live like you wanna live
When it's time
To be free
You know you gotta be what you wanna be

If you open up your mind
See what's inside
It's gonna take some time, to realign
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around
