

# Drake Bell, Found A Way (Acoustic)

I never thought that it'd be so simple but  
I found a way, I found a way  
I always thought that it'd be too crazy but  
I found a way, I found a way

If you open up your mind  
See what's inside  
It's gonna take some time, to realign  
But if you look inside, I'm sure you'll find  
Over your shoulder you know that, I told you  
I'll always be pickin' you up when you're down  
So just turn around

Now that I know that anything's possible  
I found a way, I found a way  
No one can break what is so unbreakable  
I found a way, I found a way

If you open up your mind  
See what's inside  
It's gonna take some time, to realign  
But if you look inside, I'm sure you'll find  
Over your shoulder you know that I told you  
I'll always be pickin' you up when you're down  
So just turn around

No one cares  
What you give  
You know you gotta live like you wanna live  
When it's time  
To be free  
You know you gotta be what you wanna be

If you open up your mind  
See what's inside  
It's gonna take some time, to realign  
But if you look inside, I'm sure you'll find  
Over your shoulder you know that I told you  
I'll always be pickin' you up when you're down  
So just turn around
