

Drake Bell, Hollywood Girl

[Girl:]

Are you putting in your songs?

[Drake:]

No, I'm not when you ask

Nope

Kind of I guess

Hollywood girl

Is lost again

All of her hopes left her stranded

Seasoned dreams

Are just pretend

She can't stand it

Why'd it have to happen to me

Why'd it have to hurt so bad

Cause in this town

Can't find up but I found down

In the city life

Can't turn around

Can't give up I feel too proud

Under the city lights

She doesn't believe

In believing

Miracles have died in her mind

She knows the world

Is deceiving

Everything is wastin' her time

Why'd it have to happen to me

Why'd it have to hurt so bad

Cause in this town

Can't find up but I found down

In the city life

Can't turn around

Can't give up I feel too proud

Under the city lights

Get in line and hold your head high

Pretty face will help you get by

Step inside I'll make your tears dry

So put on your smile

Ha

Cause in this town

Can't find up but I found down

In the city life

Can't turn around

I can't give up I feel too proud

Under the city lights

[Girl:]

One of the drivers has to pick you up at the airport
and bring you to my photo shoot so I can see you

I'm so sorry, I tried to get it changed

I'm so sorry baby

Don't be mad
