

Drake Bell, Sappy Love Songs

You're taking all the space up in my head
Can't think of anything I'd rather do instead
I think about you all the time
I guess you're just the loving kind

What's wrong with sappy love songs
What's wrong with sappy love songs
What's wrong with them?

Close your eyes before we kiss
I can't think of any better time than this
Brush your hair out of the way
I can think of so many things I'd like to say

So ...
What's wrong with sappy love songs
What's wrong with sappy love songs
What's wrong with them ?

What's wrong with sappy love songs
What's wrong with sappy love songs
What's wrong with them ?

What's wrong with sappy love songs
What's wrong with sappy love songs
What's wrong with them?

What's wrong with sappy love songs
What's wrong with sappy love songs
What's wrong with them?
