

# Drake, Desires (ft. Future)

ayy  
should've put you somewhere where no one could find you  
mansion out in the sticks with nothing around you  
katy, Texas, Dallas, Texas  
you know  
a different environment

cause you got desires  
I know, I know, I know,  
cause you got desires  
I know, I know, I know,  
cause you got desires

you got that fire and I am not a liar  
you had me down on my knees every day  
had to talk with Messiah  
I am in that 8 and that 1 and that 2  
this a different Ferrari
