Pink slip sitting in the dashboard with me
Got a gang of broads riding and they're on drugs with me
Got a gang of cash on me like I brought the plug with me
Niggas looking for the plug, nigga, I'm the plug really, ay

Really, I'm the plug, really, I'm the plug
I dropped a few whoop-da-whoops in my cup
Put it on my tab, put her on my tab
Franchise tag on me, Bron Bron
Steph Curry wrist, nigga, Oakland
Perkies for the bitch in Magic, Don Juan
Standing ovation and an encore
And I keep a check, Nike Concord

If you come here tryna take somethin', there's a lot more where that came from
And it really ain't no thang, I got Summer P in this thang
I just dropped a jig in my Red Bull and it really gave me wings
Yeah, yeah, up and away

We doing three hundred records a day
Who really think they can get in the way?
Nah, nah, niggas is bitter, they're hurtin'
Look at the business mergers
Threw back when I'm swerving (Skrrt)
Big body my Suburban
Everything I do on purpose
I'm blowin' up like it's urgent (Brrt)
And she was actin' like a virgin (Nah)
I gave it to her, then I curved her

Pink slip sitting in the dashboard with me
Got a gang of broads riding and they're on drugs with me
Got a gang of cash on me like I brought the plug with me
Niggas looking for the plug, nigga, I'm the plug really, ay
