

# Drake, Laugh Now Cry Later (ft. Lil Durk)

Sometimes we laugh  
And soetimes we cry  
But i guess you know now baby  
I took a half and she took the whole thing slow down  
Baby  
We took a trip now  
We on your block and it's like a ghost town  
Baby  
Where do these niggas be at  
When they say they doing all this and all that  
Tired of beefing of burns you can't even pay me enough mo to react

Been waking up in the crib  
And sometimes i don't even know where i'm at  
Please don't play the niggas songs in this party  
I can't even listen to that  
Anytime that i run into somebody  
It must be a victory lap  
Showty, come sit on my lap  
They sayong Drizzly just snap  
Distance nbbetween us is not like a store this isn't a close able gap  
I've seen some niggas attack  
And don't end up making it back
