

Drake, Madonna

Breathe through, ride through
Damn, girl, oh man, I don't know
Pilled up, filled up
Damn, girl, I'll be gettin' back to you for sure
Laced up, dripped up, sauced up
Damn, girl, I wanna ride with you
Waved up, goin' up, glowin' up, growin' up
Had to get it poppin' with you

What if I pick you up from your house?
We should get out, we haven't talked in a while
We should roll to see where it goes
I saw potential in you from the go, you know that I did
I don't know if you know, but I know who you are
You could be big as Madonna
Just get in the car and then let's touch the road
Don't make other plans
Say you get up early, you work for the man
Well, he'll understand
Pull up, I'm pullin' up on you in ten
Already on ten
Big as Madonna, I'll say it again
Soon as you get in

Breathe through, ride through
Damn, girl, oh man, I don't know
Pilled up, filled up
Damn, girl, I'll be gettin' back to you for sure
Laced up, dripped up, sauced up
Damn, girl, I wanna ride with you
Waved up, goin' up, glowin' up, growin' up
Had to get it poppin' with you
