Drake, Star67

That's what they doin', camera on, they actin' like these singers, man. I ain't goin' to the studio until I got a situation. A subject, I need a beat, I need the producer. Who gonna be on the hook? Man, what is you doin'? Go in the studio with fuckin' clips, clips, ammo!

Brand new Beretta, can't wait to let it go Walk up in my label like, where the check though? Yeah, I said it, wouldn't dap you with the left ho Shut the fuck up, text from a centerfold, I ain't reply Let her know I read it though Voice mail say she ready though Niggas know I'm credible, ain't no pussy on a pedestal Got my foot on the 'cedes Benz pedal Doin' 90 on the bridge like, "nigga you already know" And if you don't know, then now you know, now you know Switchin' up the angles Now I'm in the Rolls with illuminated angel Four or five chains made of gold gettin' tangled My nigga Biz said, " the first mill gon' change you" Change for the better, hit it then dead her That's my vendetta, keep this shit together Goddamn, we ain't even gotta scam Cocaine coupe, we ain't even got a scale Used to flip apps, now that old plug murked Ain't a damn thing changed, you can still get the work

Just hold on one moment and someone will be right with you (We're sorry, you have reached a number that has been disconnected or is no longer in service)

Yeah, I remember how I went to Louis V with Haf' Watched them spread ten thousand dollars on the glass I never ever thought I'd see that in my life Now I'm in the East cause my boys are gettin' right, man I was on TV makin' fifty racks a year After helpin' mama out the shit would disappear I am not a man, I can't do this on my own So I started askin' them if they would put me on And they did put me on, yeah, they did put me on Now we in the basement and we workin' on the phone Now we in the basement and we workin' on the phone, line Line blowin' up, workin' on the phones Now we in the basement and we workin' on the phones But I just couldn't do it, had to leave that shit alone, man

Hear What? Yo hear what, tek time (Laughing) Ahh, nuh shake Yo hear what? Wa gwan (?) Yo him fried, him fried and a sleep awhile ago inna di van you know Drizzy

Blowin' up, line blowin' up, they need the whole thing Blowin' up, my niggas really need the whole thing x2

I do better with the rider in my system Oh yeah, I'm on deck, when you call me I'll listen I listen unless I been mixin', you know when I'm mixin' You know when I'm mixin', I smoke when I drink, it's tradition Like Zoe mama I go hippy Peace sign in the air like I'm Nixon I'm mixin', I am not Esco, but it was written I knew when they didn't, I been had these visions Of the life I'm livin' since I was Jimmy All I had to do was just go and get it, and now we..

Blowin' up, line blowin' up, they need the whole thing Blowin' up, my niggas really need the whole thing
