

# Drakkar, Pure of Heart

[M&L: Beretta]

The oath between the kings is done  
They know what is to do  
The quest begins to find a man  
A man whose heart is pure

[Bridge 1:]

Though many warriors are able with the sword  
Only the purest soul can reach the Oracle

[Chorus 1:]

Who is the one?  
Trial of water will show to us  
Fulfill the oath  
Pure of heart our only hope  
The youngest of the warriors  
Was brought up by the monks  
His name is Artan and he comes  
From Varnia he comes

[Bridge 1]

[Chorus 1]

In the Holy Water  
He will put the hand  
Shall he pass the trial  
All the others failed?

[Bridge 2:]

Though many warriors are better with the sword  
He is the chosen one to reach the Oracle

[Chorus 2:]

He is the one  
Trial of water told it to us  
Fulfill the oath  
Pure of heart our only hope
