

Drama Escort, If You Need Me

You are just a poem I wrote
Some words I sing with chords and notes
A medicine I take for my suffering
A body I use when I'm feeling keen

I'm always there to pick you up
You're always there to bring me down
But I'll keep moving.
Keep moving.

Okay, fine, stay out of this, Pride.
It's time for all truth and no lies.
You once meant everything to me
But now you're acting like a B-list horror movie drama queen

I'm always there to pick you up
You're always there to bring me down
But I'll keep moving.
Keep moving.

And I'll keep falling for you.

I'll always break your fall
If you need me

If you need me
And I'll always answer your call
If you need me
If you need me

I was just a heart to break
Another boy for you to take for granted
Like you always do
And I hate the way I'll never forget you.

I'm always there to pick you up
You're always there to bring me down
But I'll keep moving.
Keep moving.

And I'll keep falling for you.

I'll always break your fall
If you need me
If you need me
And I'll always answer your call
If you need me
If you need me
