

# Dramarama, Anything Anything

OK what is it tonight?

please just tell me what the hell is wrong,

Do you want to eat, do you want to sleep, do you want to drown?

Just settle down, settle down, settle down...

I'll give you candy, give you diamonds, give you pills,

Give you anything you want, hundred dollar bills,

I'll even let you watch the shows you want to see,

Just marry me, marry me, marry me...

I'm so sick of you tonight,

You never stay awake when I get home,

Is something wrong with me, something wrong with you?

I really wish I knew, wish I knew, wish I knew...

I give you candy, give you diamonds, give you pills,

I give you anything you want, hundred dollar bills,

I even let you watch the shows you want to see,

Because you married me, married me, married me...

Married me, married me, married me...

I was young I learned a game,

that love and happiness were the same,

And now I'm older and I don't play,

I found out the hardest way,

I got wasted, she got mad, called me names and she called her dad,

He got crazy and I did too, wondering what I did to you.

I gave you candy, gave you diamonds, gave you pills,

I gave you anything you want, hundred dollar bills,

i even let you hear the songs i wanna sing

I'll give you anything, anything, anything...

I'll give you anything, anything, anything...

I'll give you anything, anything, anything...

Anything...

Anything...

Anything...
