

# Dramarama, Emerald City

I've finally found it  
I'm feeling my way all around it  
I'm going to surround it

Soon everything's going to be fine  
Hey hey  
I can do what I say

I'm lost in a sweet dream  
I'm living on chocolate ice cream  
I'm letting off my steam

Now everything's going to be fine  
High high  
I think I'll learn how to fly

I went for the rental  
Those costumes were so continental  
How coincidental

They said everything would be fine  
Ho ho  
I think I'm ready to go, go, go...
