

Dramarama, New Dream

I got a girl I think I love her
I'm pretty sure I'm not too above her
She take a (?) at the local grocer
I've got a friend I think he knows her

Know her

(?) she's in my home room
I'd like to take her back to my own room
(?)
and sing the words of my favorite song

It goes
La la la la

But in my dream she's on a beach
and she is well within my reach
I'd like to get to know her
there's things that I could show her
but then this fantasy's not real
So I can't say the way I feel

(?) switchin stations
I call her at the United Nations
Different clothes and a different walk, yeah
You shoulda heard the way she talked

She went:
blah blah blah blah
yah yah yah yah
cry cry cry cry
rah rah

But in my dream she's on a beach
and she is well within my reach
I'd like to get to know her
there's things that I could show her
But then insanity's not real
So I can't say the way I feel
