

# Dramarama, Whenever I'm With Her

Well I never want to fight  
and I'm sorry that I bit her  
but she always thinks she's right  
and it makes me want to hit her  
I don't want to scream and shout  
I'd much rather hear her whisper  
and it's all I think about

Whenever I'm with her

Well it wouldn't be so bad  
if she'd tell me what's the matter  
and I wouldn't get so mad  
when I heard her vicious chatter  
I hear voices in my ear  
and I'm thinking with my zipper  
but they always disappear

Whenever I'm with her

Well it wouldn't be so bad  
if she'd tell me what's the matter  
and I wouldn't get so mad  
when I heard her vicious chatter  
I hear voices in my ear  
and I'm thinking with my zipper  
but they always disappear

Whenever I'm with her
