

Drastic Actions, F**k You

Well it all goes back to 1976
Just some kids, tired of hearing the same old shit
They played their music fast
They played their music loud
With two fingers in the air
Well this is what they said

Said hey fuck you, you and you and you and you
Say hey fuck you
We don't care what you gotta say
Say hey fuck you
We're gonna do what we're gonna do
Say hey fuck you, you and you and you and you

We pin our feet to the fucking ground
With 25 years of music going no where
When will the people realize
With two fingers in the air

Say hey fuck you, you and you and you and you
Say hey fuck you
We don't care what you gotta say
Say hey fuck you
We're gonna do what we're gonna do
Say hey fuck you, you and you and you and you

It seems like mtv's caught in the triangle hole
And it wont fucking let us go
When the dust settle's we'll still be around
With two fingers in the air

Say hey fuck you, you and you and you and you
Say hey fuck you
We don't care what you gotta say
Say hey fuck you
We're gonna do what we're gonna do
Say hey fuck you, you and you and you and you

Hey fuck you, you and you and you and you
Say hey fuck you, you and you and you and you [x3]
Say hey fuck you
We don't care what you gotta say
Say hey fuck you
We're gonna do what we're gonna do
Say hey fuck you, you and you and you and you [x2]
So
fuck you [x16]
