Punishment is painfull when you know that you deserve it  
It's like a hustla on a clucka let me show you how I serve it  
Nigga I see you, it's the tall bald eagle  
Representin somethin but you respresentin seagull  
Pigeoun! Yeah you's a dirty flyin rat  
You carbon copy cattapiller or should I say fax  
Relax and get jacked like that nigga in Menace  
F\*\*k around patna and get smacked like a tennis  
Ball! Man did my niggas juss call?  
It's 911 it's yo nigga Dre Dog  
So nigga f\*\*k around and get cut like a canteloupe  
Try ta run and get chewed up like a cheetah on a antelope  
Payback's a motherf\*\*ka sour dope deal  
Targets make noise like a mutilated seal  
Dead with a scared look on they face  
1995 it's a cocaine race  
The Firm!  
Mothaf\*\*kas doin that sherm  
Slug ass niggas get treated like a germ  
So when you see me nigga you'll refer to me as mista  
Or brother in law nigga cause I'm f\*\*kin yo sista

More bass!

And ta get it outta you, man I f\*\*ked up  
Raise up!

Darker than a tinted window quiet like a monk

So check this out mothaf\*\*ka when I got ya  
I'm gonna knock the wind up out ya  
Panic!

Quick until ya start this  
Colder than tha arctic  
Step up in tha mind of a creep thief artist  
Hungry for tha bankroll  
Stripes like a sergeant  
And that's a piece of my mind
