## Dreadlock Pussy, 100 Stories

I reglue the broken bones of my soul after yet another 100 story fall this skyscraper you've thrown me from has proven to be unusually tall it's not as if I haven't been there before I mend my wounds with professional ease but the cut heals less every time it's so real it's

so alive Im sure you're very sorry about all this and I know that you never inteded it to

be this way but I'm the one who got nothing again I'm the one who you left for dead and it's all your fault. bitch.

falling again retracing again investigating where it all went down heard them all and calmed the nerves but at the end of the day I got jerked I got nothing again 100 stories tall I'm falling again 100 stories long
