

# Dream, Back 2 U

[spoken]

Dear Justin...

I miss you. I can't believe we're spread apart.  
I hope this letter gets to you, from the bottom of my heart.  
I love you.

I know I was so wrong for saying those things,  
and I'm sorry, baby,  
that I ever made you cry  
You are the best thing that ever happened to me  
Why, baby, baby, why  
do we have to say bye-bye?

Tell me, what road do I have to take?  
Tell me, what do I have to say?  
'Cause I just can't stop loving you  
Tell me what I gotta do to get back to you

Tell me what I gotta do to get back to you  
'cause I can't live without you  
Tell me what I gotta do to get back to you  
'cause I can't live without you

Since you've been away, I can't sleep, baby  
I miss you like crazy  
and now I realize how much you mean to me  
I want you back, baby (what I gotta do?)

Tell me, what road do I have to take?  
Tell me, what do I have to say?  
'Cause I just can't stop loving you  
Tell me what I gotta do to get back to you

Tell me what I gotta do to get back to you  
'cause I can't live without you  
Tell me what I gotta do to get back to you  
'cause I can't live without you

Tell me, what road do I have to take?  
Tell me, what do I have to say?  
'Cause I just can't stop loving you  
Tell me what I gotta do to get back to you

Tell me what I gotta do to get back to you  
'cause I can't live without you  
Tell me what I gotta do to get back to you  
'cause I can't live without you
