

# Dream Evil, Evilution

It's time to be the man  
The man you have seen in your dreams  
It's time to make a stand now, believe  
Can't wait another day  
Got to be quick now or fall  
I swear to God to give it all

Stand by me, eternally  
Forevermore, forevermore

Evilution, no matter who you are  
Evilution, we're aiming for the stars  
Evilution, to be or not to be  
Evilution, believe

Your heart belongs with us  
Your fate will fulfill our dreams  
It's time to realize now, believe  
The troops are gathered now  
Prepare in the night we strike  
I hope that God will heed the call

Stand by me, eternally  
Forevermore, forevermore

Evilution, no matter who you are  
Evilution, we're aiming for the stars  
Evilution, to be or not to be  
Evilution, Evilution, believe

If you don't like it  
You don't have to breathe  
Hail Satan, hail me  
Spending your life in an unfulfilled dream  
Hail Satan, hail me
