

# Dream Evil, The Book Of Heavy Metal (March Of

Metaaaaaaaal.

I'd sign - a contract with the devil  
I've tried - for so very long  
I'd die - to become immortal  
that's why I sing this song  
Am I a wannabe? - have I no dignity.  
Who'd give up all my life.. to be  
In the book of heavy metal.. metal!  
In the book of heavy metal

In life - I have no religion  
besides the heavy metal gods  
wear nothing but black skin tight leather  
My skin's clad with Metal studs  
Am I a wannabe? - have I no dignity.  
I give up all my life to be..  
In the book of heavy metal.. metal!  
In the book of heavy metal

Some twenty years ago, the goods put down there feet,  
So firmly in to the ground that no man of sword nor pen,  
could ever chains the rules upon which  
The very fundament of metal was made.

Read all about it, in the book of heavy metal  
Read all about it, in the manual  
Read all about it, in the book of heavy metal  
Read all about it  
Don't need no flashy house, no kids/car or ugly wife  
the only thing I want, is what my parents don't  
need no widescreen TV, No in all honesty  
the only thing I want to be (to be or not to be)

In the book of heavy metal metal!  
In the book of heavy metal metal!

In the book of heavy metal - In life - metal!  
In the book of heavy metal - to death - metal!

I've signed - a contract with the devil  
I'd like to become a star  
I'd die - to become immortal  
That's why I play the guitar
