Welcome to the evil side  
Spread the word nation wide  
Come and drink this blood of mine  
It will increase your metal spine

Promise you, time is now  
your wounds will heal  
Dont' be scared, time to forge some steel

We are all united  
We will spread the word  
All united  
We can change the world

(How ball's roll each on their wheel?)  
Metal warriors never kneel  
Stand up proud prepare to fight  
Srceam out loud your Metal, rise

Promise you, time is now  
your wounds will heal  
Dont' be scared, time to forge some steel

We are all united  
We will spread the word  
All united  
We can change the world

We are all united  
We will spread the word  
All united  
We can change the world
