

# Dream Street, Beautiful Soul (Jesse)

Chorus:

I don't want another pretty face  
I don't want just anyone to hold  
I don't want my love to go to waste  
I want you and your beautiful soul  
You're the one I want to chase  
You're the one I want to hold  
I won't let another minute go to waste  
I want you and your beautiful soul

I know that you are something special  
To you I'd be always faithful  
I want to be what you always needed  
Then I hope you'll see the heart in me

I don't want another pretty face  
I don't want just anyone to hold  
I don't want my love to go to waste  
I want you and your beautiful soul  
You're the one I want to chase  
You're the one I want to hold  
I won't let another minute go to waste  
I want you and your beautiful soul

Your beautiful soul, yeah

You might need time to think it over  
But I'm just fine moving forward  
I'll ease your mind  
If you give me the chance  
I will never make you cry, c'mon let's try

I don't want another pretty face  
I don't want just anyone to hold  
I don't want my love to go to waste  
I want you and your beautiful soul  
You're the one I want to chase  
You're the one I want to hold  
I won't let another minute go to waste  
I want you and your beautiful soul

Am I crazy for wanting you  
Baby do you think you could want me too  
I don't wanna waste your time  
Do you see things the way I do  
I just want to know that you feel it too  
There is nothing left to hide

I don't want another pretty face  
I don't want just anyone to hold  
I don't want my love to go to waste  
I want you and your beautiful soul  
You're the one I want to chase  
You're the one I want to hold  
I won't let another minute go to waste  
I want you and your soul

I don't want another pretty face  
I don't want just anyone to hold  
I don't want my love to go to waste  
I want you and your beautiful soul  
You're the one I want to chase  
You're the one I want to hold  
I won't let another minute go to waste

I want you and your beautiful soul

Your beautiful soul, yeah

Your beautiful soul, yeah
