

Dream Street, Feel The Pearl Necklace

CHORUS

Feel the rain, falling down on me
I call your name, I miss you, can't you see?
I'll take the blame, we should never be apart
Tell me what can I do to get you back into my heart

To make a mistake is only human
And now I have learned my lesson, that's for sure
Cuz I never thought that you would say goodbye
And love would walk out that door

Why did I look in a different direction
When you were right here with me all the time?
Now my heart is crying out for affection
I guess that I was blind, now baby I

CHORUS

Your shadow of love is still beside me
When I close my eyes, your face is all I see
But I don't intend to spend my whole life dreaming
I need you right here with me

I was so wrong taking your love for granted
I couldn't see how I hurt you inside
Now I know you're all that I even wanted

CHORUS

Why did I look in a different direction
When you were right here with me all the time?
Now my heart is crying out for affection
I guess that I was blind, now baby I
